

Matching Gift of Art Campaign

The **Johnson Art and Education Foundation**, a dedicated supporter of the ISC, has made an extraordinarily generous 1:4 matching gift pledge to the ISC. The Peter Voulkos lithograph *Abstraction #1* will be given to supporters who donate \$1,000 or more to this Matching Gift of Art campaign. Help us reach our goal of \$40,000 in donations to realize the full \$10,000 match.

Please take this unique opportunity to support the sculpture community and get a fine art print in return!

Yes, I would like to receive Abstraction #1 by Peter Voulkos & support the ISC!
