

Studios Inc Internship**Organization:** Studios Inc**Location:** Kansas City, MO, U.S.A.

Description: No making coffee, no filing, and no busy work — this paid internship is designed with you, for you. Studios Inc will collaborate with the candidate and academic institution to create a fun, resume-building experience. Your abilities, interests, and availability will shape specific duties. Interns will interact with business and visual art community leaders who offer a valuable network for career development. This is a volunteer position if it fulfills an academic requirement.

Description: We are currently seeking SCULPTORS to participate in our Art Subscription Service in Chicago! SOTA provides an Art Subscription Service which brings art curatorial services to both public and private spaces that produces a platform for emerging art enthusiasts to encounter local art. Periodically rotating art creates an environment for inspiration and comfort for employees and clients alike. Please follow the link to our website to find out more about State of the Art and fill out an Artist Application, including a one-time \$40 fee, which waives any future fees. <http://sotachicago.com/>

Description: NYC Parks consistently fosters the creation and installation of temporary public art in New York City parks. Artists/organizations can apply on a rolling basis. Installations may last up to one year, typically remaining on view for six months. Applicants are responsible for fabrication, installation, maintenance, and site remediation. Interested applicants should submit a written description of artwork, photographs/renderings of artwork, artist statement/CV, proposed site and duration, and examples of past work. For full application information visit www.nyc.gov/parks/art. Submit materials at least six months prior to the intended installation date to allow time for review and project development.
